Dear Mr. Renaud:

You are helping to make miracles happen. Miracles happen every day at Children's – whether it is a discovery that brings a scientist closer to unraveling the mysteries of childhood disease at Children's Health Research Institute or a child whose cancer goes into remission at Children's Hospital. Thanks to your support, these and many other miracles happen each and every day.

Thank you for helping to make your fashion show a success. Your donation of \$250 is working to provide specialized patient care and equipment at Children's Hospital and research into childhood disease at Children's Health Research Institute. You can learn more about the difference your generosity is making in the lives of children on our website at www.childhealth.ca.

If you have any questions regarding your donation to Children's, please contact me at 519-432-8062, extension 122 or by email at josborne@childhealth.ca. I would be pleased to assist you.

Yours sincerely,

Jill Osborne
Community Relations Director

Have a great holiday!
