Dear Rick:

On behalf of the AIDS Committee of London, please accept our sincerest thanks for your generous donation.

Your gift will help us to provide essential support services for those individuals and families living with and affected by HIV/AIDS in our community, while educating those at risk to prevent new infections. Your contribution helps us to ensure that no one in need of our help is turned away.

Thank you for demonstrating your community spirit and showing that you can make a positive difference for people living with HIV/AIDS. We hope that you will continue to support the work of the AIDS Committee of London in the future.

Please find attached a charitable tax receipt for your donation. Thank you again for your support.

Sincerely,

Michelle McKay
Fund Development Coordinator

We are proud to partner with Buck Wilds in this event & future activities. Thank you again. Michelle
